5 March 12:00

Get ready to Stop, Drop and Read on **World Book Day!**

At midday on **Thursday 5 March**, you're invited to 'drop everything' and read for 15 minutes.

It's a chance for the whole island to pause for a few moments and enjoy reading together.

There are **no rules** about 'what counts'. It could be a book, magazine, graphic novel, audiobook, newspaper – just find something you want to read and take some time to enjoy it.

Stop, Drop & Read is part of Guernsey's **National Year of Reading**, inspiring people of all ages to rediscover the joy of reading in 2026.

How to Get Involved:

- Set aside 15 minutes at 12pm on Thurs 5 March

- Read something you enjoy

- If you like, help spread the word by sharing photos or messages on the day #StopDropReadGSY
